

# Easter Holiday Activities

Due to the demand for children beginner lessons we are currently not taking on new beginner children or running our holiday beginners taster sessions. We will continue to run the improvers lessons (Riders must have attended our beginners before and be on our records) These will be focused on progressing the level of riding to be able to go into regular group lessons as soon as availability allows.

We hope you understand our decision and we appreciate the patience of those currently on our waiting list.  
Thank you, Smeltings Farm
